Delegates Against the Stephens Bill.

Enthusiastic Meeting at the Commercial Club.

All Sections of New Mexico Well Represented.

CALLED TO ORDER BY GOV. OTERO.

The convention to protest against the passage of the Stephena bill now pendng before congress, and which by proclamation was called to meet in this city on May 10, was called to order at the Commercial club this morning at 11 o'clock by Governor M. A. Otero, and a targe number of delegates, appointed

under the provisions of the proclamation, were present. Before the detegates had resembled, President Marron, Secretary McCanna and Janitor Ellaworth, of the club, had greanged chairs in the dancing division of the club, and it was there that the delegates, representing a greater por-Governor Ostro called the convention to order, with W. S. Burke, editorial writer of the Journal-Democrat, as

MINISTREES. In opening the convention the gover no? stated the object for which he had insued a proclamation for the conven tion and gave some interesting data regarding the Rio Grande and Its brigation facilities. He suggested that s be named, and on motion the name of Hon. Frank Springer, of East Law Ve-

Mr. Springer made a brief talk on the subject matter, with Amado C. de Haca this city officiating as interpreter W. B. Childen poved that a com-mittee on oredentials be appointed whereupon L. A. Hughes, secretary of the irrigation commission, stated that he had the list of delegates and that they were either present in person a

by progs. men claiming to be delegates should be accredited with seats, so that the business of the convention could be

confinued without delay.

Mrs. W. K. Moriey, from Chamber N. M. who was sitting at a table taking notes, then arose and stated that she was a delegate and wanted a Field amunded his talk to take in lady

Mr. Childers accepted the suggestion of Mesors. Hughes and Field, and stated that he also included "indy dele-

and the motion being seconded and carried, the chair announced that he would tasks the appointments later W. S. Hopewell, a delegate from Sier ra county, asked that Hop. T. B. Ca tron and Hon. H. H. Pergusson, exdelegation in congress, address the cur-Romana treaty of Mexico with the

and went into a very interesting history regarding the Eighard Butto day the intermational dwn question, the Romero treaty and the

Mr. Fergusson was then called for but had left the building for dinner whereupon the chair appointed the fol Resolutions E. B. Blover, Marcellin Baca, H. B. Fergusson, T. B. Catron, i

honever appointed the following gen themen. W. R. Chilliers, L. A. Hugher Estevan Baca, Eugene Van Patten and The convention then adjourned unti

On the re-assembling of the conven tion the chair called for the report a he committee on cerdentials, where upon Mr. Childers, as chairman of that committee, announced that as no contests exist the report had been flies with the secretary of the convention The report was adopted.

Thereport of the committee on resolu tioux was then submitted, the repor After the reading, Mr. Stover stated in order to get the resolutions before

phraseology and for any amendments is moved their adoption-Mrs. Muricy moved that the phrases

ogy of the resolutions where it states by a "system of irrigation" be amendterigation." The molion was seconder

Mr. Pergusson having returned to the hall was called upon for a speech, and he, like Mr. Catron, gave his opinion of the Stephens bill and also views on the Romero treaty of Mexico

On the constitution of Mr. Fergusson's address other amendments were made

The resolutions grant the governo the power to appoint a delegation of nine to visit Washington and lay be fore congress the resolutions of convention protesting against the passuge of the Stephens bill.

Sale of Cochiti Mine.

An Important mining deal is reported from Bland. The Black Girl group of mines have been sold. The claims are five in number, commisting of the Black Girl, Affecton, Hopewell, Posey and Good Hope. Among the owner were John C. Spears, of Gallup, Edward Medler, of Albuquerque, George Hofheims, Edward Smith and Judge H. store, and L. J. Strauss, left W. Young of Bland, whose interests

save now been transferred to R. W. Woodbury of Denver, the consideration being \$36,000. That is, he takes a niney-day bond on the group, will expend a certain sum in development work, and it the claims prove as attractive Strong Resolutions Adopted Against

President McKinley has vetoed the bill allowing miners the privilege of prospecting on the Navajo reservation. There are seventeen prospectors now at work out near Keam's Canon who have been ordered to leave but retuse to do so. The strong arm of Uncle Sam has been called for and the boys in have to move out.-Gallup Gleaner.

LAS VEGAS.

Thirty-five visitors were counted a rout springs yesterday. The lambing season will s on be this section of New Mexico. B. Frank Forsythe to-day got in

cent of Beigian hares from Cole Only eight patients at the Las Vegus railroad hospital, the last one to enter being L. Mayes, of Raton. Startling news from Puerto de Luna to-day is that a nephew of Pablo Ara-

gon out there, had killed a man who was about to administer a sever thrushing to him. Gabaldon, the defaulting county collecor, have left the settlement with the inty, involving the next sum of \$7,500

in the hands of Don Eugenio Romes the Davis and Montgomery Bell. The present term of district court Han Miguel county will be a short on the United States grand Jury being 1 session only a part of the week orial petit jury will be empaneled wat Monday.

PATRONIZE HOME MARKET.

Mechanic" Criticises "Merchant" on the Restauer & Franker Sanneren bereit The statement in Monday's Citizen gued Merchant, would be a very good thing for our city, it everyon outs lonew his advice. I would like o ask "Merchant" and many more o he same class why they send away to early everything they wear and use n their business? Permaps on the very other that article was written yo night find the stamp of some St osils or California printing company More than half the merchants of this own get their bill heads and envelopes stated cosewhere, and also all their othes, even to underclotnes, soules and anokerchiefs. Every tailor drumme no comes to this town gets from fift; sevenly-five orders for fall suits home tanors. Instead of about twen y-five tailors we should have at least We hundred at steady work the year ound and help build up the city. Go ind see the line of "Merchants" din ing there. Everything is shipped in and every dollar is shipped out. Reeipts at this cafe alone would employ marly one hundred mon for one year two dollars per day, and here is rould build up our city. It is so is verything. Look at the buggles and arriages about six hundred are role very year in this cily and not one is ould be employed here steady in this ine of business, where at present we be harness husiness. Suppose our erchants and wealthy men would in det on home-made harness. The har-He seidom gets an order.

rom the grover or blacksmith, but you s that the harness-maker telegraph ight away for five first-class harness takets. The other shops do likewise ith their families earning good wages op two men busy. Look at the hard f Chinese who gather thousands o hina. Instead of two steam laundries es could support eight, where on ages and help support many a widowmother. Many of our sanctimonious cristians hand out their clothes tese Chinese, who bunk on them to ielr opium dens half the week and hen spit on them the other half, while cany poor women are watching and
